

## Steam Trains and Fairytales at Butterley 17-18 May 2025

### TRAIN TIMETABLE

#### The Route

During the weekend trains will run between Butterley Station (where the car park is) and Swanwick Junction (where most of the event will be taking place). There is no visitor access to Swanwick Junction by road.

#### Trains from Butterley

Trains run direct from Butterley to Swanwick, a journey of around four minutes. After leaving Swanwick, trains run on to Riddings (where you stay on the train) and then back to Swanwick.

#### Trains from Swanwick

Trains from Swanwick back to Butterley pass through Butterley station without stopping and then turn round at Hammersmith. Returning from Hammersmith, the trains then stop at Butterley before returning to Swanwick as above.

Two steam trains will be running. LMS 3F Jinty 16440 will be hauling a set of vintage carriages and BR Stand Class 4 Tank 80080 will be hauling a set of heritage MK1 carriages. They will run alternately.

The full train timetable is available, but the key times are below:

BUTTERLEY TO SWANWICK			SWANWICK TO BUTTERLEY	
TIME	LOCOMOTIVE		TIME	LOCOMOTIVE
10:30	80080		10:40	16440
